

Good,

Better,

Best Maid! 

Best Maid Cookies are made from the heart and lovingly prepared. Gourmet, delicious and made with all natural ingredients. The reason: cookies are our passion. That's why we make so many different varieties and why we offer other treats, from the richest brownies to scrumptious crispie bars... Follow your heart! ❤️

Our Family The Best Maid Cookie Company is a family business that dates back to 1943, when our founder C. Arthur Erickson decided to make the very best cookie for the very best price. He did and we continue to do in every way. All of our cookies are made with the very best ingredients, from real M&M's® and Reese's Pieces® to plump California raisins and Hawaiian cane sugar. That way, every bite of Best Maid can only be described as "ooey-goey good!" Best Maid. The name says it all!
